PROCEEDINGS OF THE DISTRICT COLLECTOR, ALLEPPEY

No. A3-3930/68. *2nd July* 1969.

Establishment—Village Establishment—Supplementary seniority list of Village Assistants as on 17-8-1957—finalised—orders issued

1. This Office Proceedings A3-35650/65 dated 26-9-1967.
2. From the District Collector, Quilon, Proceedings No. B9-10065/61 dated -3-1963.
3. From the District Collector, Kottayam, Proceedings A3-4912/65 dated 13-3-1967.
4. This Office Proceedings No. A3-3930/68 dated 7-5-1969.

Certain Village Assistants of this District have represented that, although they had come to this District subsequent to the date of the existing gradation list of Village Assistants as on 17-8-1957, they may also be considered for promotion as they are actually senior even to certain Village Officers in this District and as they came to this District without losing their seniority. Their representations were examined in detail. Their claim is bonafide and they deserve to be considered for promotion along with some senior Village Assistants.

In the proceedings last cited a provisional, supplementary seniority list of 17 such Village Assistants as mentioned above, has been circulated among all concerned inviting claims and objections. No objection has been received.

Two representations have been received requesting to include the names of 2 Village Assistants in [the supplementary seniority list circulated in the proceedings last cited. They are Shri K. Yohannan (Thazhakkara) and Shri E. N. Gangadhara Kurup. Shri K. Yohannan (Thazhakkara) is already a Village Officer. He may not be prejudiced in any way if his name is not included in the supplementary seniority list of Village Assistants. Steps have already been taken to prepare the gradation list of Village Assistants and Village Officers as on 1-1-1969. It is enough if he is assigned due rank after detailed examination of his case, when the gradation list of Village Assistants now under preparation is finalised. The Tahsildar, Chengannur will include his name in the draft seniority list of Village Officers and Village Assistants and obtain and furnish relevant records for fixing his relative seniority.

The other representation has been received from Shri E. N. Gangadhara Kurup, Village Assistant, Shertallai Taluk. He was advised by the Public Service Commission on 27-4-1956 and he would be the 4th among the Village Assistants next to be promoted if due rank is assigned to him. It is likely that his turn may come up before the finalisation of the gradation list of Village Assistants now under preparation. The earliest effective advice in

his case is 27-4-1956 and he is eligible to be assigned rank between Shri A. Chandrasekharan Nair (rank No. 192) and Shri N. V. Krishnan (rank No. 194). He is, therefore assigned notional rank of 193 in the gradation list of Village Assistants as on 17-8-1957.

The provisional, supplementary seniority list of Village Assistants circulated along with the proceedings last cited is finalised with modification stated above. The final supplementary seniority list of Village Assistants who came to this District subsequent to 17-8-1957, but were in Government service prior to the above date is appended.
